

Student Attestation:

Before beginning this assessment, I confirm that

1. I will follow all assessment instructions that my teacher has outlined.
2. I will determine the answers to all the questions independently without using the Internet or generative AI tools or copying someone else's work.
3. I will use only materials and devices that are allowed for this assessment. I will **not** use messaging tools, online resources, translation tools or any other materials or devices that are not permitted by EQAO.
4. I will **not** use any personal electronic devices, including cellphones, smartwatches and smart glasses during the assessment.
5. I will keep all assessment questions and answers confidential, and I will **not** share them with anyone during or after the assessment.

Student Declaration:

By proceeding with this assessment,

- ☐ I confirm that I have read, understood and agreed to all the statements above.
- ☐ I understand that if I do not comply, my results may be withheld.
